BOARD OF ATHLETIC TRAINERS**

LCB File No. R053-19

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1-4, NRS 640B.260, as amended by section 11 of Senate Bill No. 186, chapter 277, Statutes of Nevada 2019, at page 1588.

A REGULATION relating to athletic trainers; prescribing the training required before an athletic trainer is authorized to perform dry needling; prescribing standards of practice for dry needling; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Athletic Trainers to prescribe by regulation the qualifications required for an athletic trainer to perform dry needling. Those qualifications must include the completion of at least 150 hours of certain didactic education and training in dry needling. (NRS 640B.260, as amended by section 11 of Senate Bill No. 186, chapter 277, Statutes of Nevada 2019, at page 1588) **Section 2** of this regulation prescribes the requirements for such didactic education and training.

Existing law requires the Board to prescribe by regulation: (1) the standards of practice for athletic trainers; (2) procedures concerning the handling of needles used to perform dry needling; and (3) procedures to ensure that an athletic trainer does not engage in needle retention. (NRS 640B.260, as amended by section 11 of Senate Bill No. 186, chapter 277, Statutes of Nevada 2019, at page 1588) **Section 3** of this regulation requires an athletic trainer to obtain the informed consent of a patient before performing dry needling. **Section 3** also requires an athletic trainer who performs dry needling to: (1) use only single-use, single-insertion needles; (2) refrain from inserting a needle more than one time or retaining a needle in the body of a patient after completing a procedure; and (3) dispose of those needles after completing a procedure. **Section 3** additionally prohibits an athletic trainer from delegating the performance of dry needling to a person who is not authorized to perform dry needling.

Section 1. Chapter 640B of NAC is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this regulation.

Sec. 2. 1. Before performing dry needling, an athletic trainer must submit to the Board written proof of successful completion of at least 150 hours of didactic education and training in dry needling which meets the requirements set forth in this section.

2. The courses taken to satisfy the didactic education and training requirements must:

(a) Be approved by the National Athletic Trainers' Association Board of Certification, Inc., or its successor organization, the Commission on Accreditation of Athletic Training Education, or its successor organization, or the Board of Athletic Trainers;

(b) Include instruction concerning:

(1) The use of sterile needles in accordance with standards prescribed by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services or the Occupational Safety and Health Administration of the United States Department of Labor;

(2) The aspects of human anatomy relevant to dry needling;

(3) Control of blood-borne pathogens; and

(4) Circumstances under which performing dry needling on a patient may or may not be appropriate;

(c) Except as otherwise provided in paragraph (d), be provided as part of a graduate-level program of study approved by the Board; and

(d) Include at least 25 hours of didactic instruction and training provided through a postgraduate course of study that requires the successful completion of a written examination and a practical examination. Each part of the course, including, without limitation, each examination, must be completed in person.

Sec. 3. 1. *Before performing dry needling, an athletic trainer must obtain a signed form which provides informed consent from the patient. Such a form must include, without limitation:*

(a) The definition of “dry needling” set forth in section 8 of Senate Bill No. 186, chapter 277, Statutes of Nevada 2019, at page 1587;

(b) A description of the particular treatment that will be provided and the risks and benefits of the treatment; and

(c) The signature of the patient.

2. *An athletic trainer who performs dry needling:*

(a) Shall use only single-use, single-insertion sterile needles;

(b) Shall not insert the same needle:

(1) More than one time in a person; or

(2) In more than one person;

(c) Shall not retain a needle in the body of a patient after completing a procedure;

(d) Shall dispose of each needle after completing a procedure;

(e) Shall not delegate dry needling to a student athletic trainer, graduate student athletic trainer or other person who is not authorized to perform dry needling; and

(f) Shall ensure that the form described in subsection 1 is maintained as part of the health care records of the patient pursuant to NRS 629.051.

Sec. 4. An athletic trainer who wishes to perform dry needling after the effective date of this regulation shall submit proof of compliance with the requirements of section 2 of this regulation not later than 30 days after the effective date of this regulation.
